Meredith Kerr

The **Queen of Blue Ridge Comedy** — fearless punchlines wrapped in glitter, sobriety, and Southern grit.

THE STORY

About Meredith

A sparkly, Southern unicorn — bright, bold, and brutally honest comedy from the Blue Ridge Mountains.

Meredith Kerr is a fearless, witty stand-up comedian whose sharp humor and relatable storytelling have quickly made her a standout in the comedy world. She first burst onto the scene in 2021 in Northeast Tennessee, where she honed a unique comedic voice that blends bold punchlines with introspective truth.

Her material is a refreshing mix of unfiltered honesty and razor-sharp observations — whether she's chronicling life in sobriety, navigating the rollercoaster of singlehood, or diving headfirst into the chaos of everyday mishaps. Audiences appreciate her willingness to get real and her knack for turning personal experiences into uproarious comedy.

Since her debut, Meredith has performed at festivals including **World Series of Comedy, Rogue Island,** and **Lookout Comedy Festival**, and in 2024 was crowned **Blue Ridge Funniest**. Her fearless attitude and quick wit have landed her on stages across the country — from Anchorage to Michigan and everywhere in between.
